

The Boston To Bozeman Region One Caravan R-273

With a maximum number of 20 Airstream RV caravanners, we will rendezvous in West Townsend, Massachusetts on 6/1, where we will enjoy our first BBQ hosted by the leaders. A photography session will take place so that we can all get to know each other's faces. The Driver's Manuals along with some other paraphernalia will be handed out and our first Driver's Meeting will be held.

We will travel through 11 states plus Ontario, Canada over the next 24 days. Most of our driving will take place on back roads where we can sort of kick back and take in the sights and sounds of America. Our 14 different stops will include (mostly), full-hookup CG sites and Wifi. Please note that the first night is dry camping; please arrive with a full tank of water and charged batteries. This is the only dry camping stop.

Our plans include a hayride, 3 BBQs, 3 ice cream socials, 4 campfires; we will cruise through some of the 30,000 islands on the Georgian Bay of Lake Huron from nearby Parry Sound, Ontario. We will stay at a wonderful lakefront campsite nearby the very busy port of Sault Ste. Marie in the Upper Peninsula of Michigan. We will board a very large and very fast catamaran boat to Mackinac Island. We'll take a Segway tour through Minneapolis, Minnesota and will tour the headwaters area of the Mississippi River in northern Minnesota. We will attend the Medora Musical in North Dakota, enjoy a dinner-show at the Circle B Chuck Wagon in the Black Hills of South Dakota, along with a Farewell Banquet in Bozeman. We enter the 51st International Rally site on 6/25.

Kitty Fee: (U.S. Funds)

(2 in an Airstream)=\$1450.

(1 in an Airstream)=\$1210.

\$200 deposit by 1/15/08 with remainder due by 5/1/08.
