

Airstream Country Jamboree

Region 1 Rally · North Haverhill, New Hampshire
August 9–August 12, 2018

Spring is in the air! St. Patrick's Day this month promises good luck and the start of camping season is near. A sneak preview for the rally.....

Music and Dance;

The R1R will be providing superb music and dance in keeping with our Country Jamboree theme. As Saturday evening's entertainment we have planned a "Barn Dance" with a live multi-piece band and a caller who is successful at helping inexperienced dancers have a great time.

Just for your reference, here is our caller, David Millstone's philosophy taken from his website:

"A few words about my philosophy for calling these events: At weddings and other private parties, the greatest number of people are not experienced traditional dancers. My aim is to get everyone moving as quickly as possible and as much as possible. In my opinion, this is not the appropriate venue to teach some complicated series of dance figures; people are not there to learn the latest hot, complex move. People are there to have fun, not to get a difficult brain workout! Consequently, unless I know that there will be a lot of experienced dancers there, I pick dances that can involve all ages, from youngsters through seniors. It's helpful to let women in particular know to bring some comfortable shoes for the dancing; swinging on a barn floor in high heels isn't fun!"

David has procured a renowned regional band that he has worked with before in calling dances such as ours. They play traditional instruments including twin fiddles, banjo, guitar and mandolin. Their repertoire includes New England tunes, Appalachian tunes and Quebecois tunes.
